### Mi-Clean™ 158

#### DESCRIPTION

**Mi-Clean™ 158** is an extra-heavy duty, hard surface cleaner and degreaser. It contains a blend of inorganic conditioners, natural and synthetic detergents.

**Mi-Clean™ 158** is a premium grade, controlled foam cleaner suitable for use in automatic scrubbing equipment, pressure sprayers, trigger sprayers and manual mopping operations. It is phosphate free and all surfactants used in **Mi-Clean™ 158** are biodegradable.

**Mi-Clean™ 158** is also very effective at removing buffing compound from steel and stainless steel substrates. **Mi-Clean™ 158** can be used in all temperature ranges with the optimum temperature depending on the exact nature of the soils and oils to be removed.
