Aquaease™ Infinity Booster

Aquaease Infinity Booster is a highly concentrated, liquid additive, formulated to increase the detergency, and oil holding capacity of alkaline cleaner baths. Infinity Booster works best, when used as supplement to emulsified cleaner baths, and emulsifying cleaners.

For use in soak tank operations only. Not for use in spray wash processes.

Features & Benefits

Can be added directly to working cleaner baths	Easy to use
Highly concentrated	Use less cleaner

Physical Data

Specific gravity	1.02
Solubility in water	Complete
Appearance and odor	Colorless, clear, mild odor

Operating Conditions

0.1% to 0.5% (volume of working bath) - Use rate will depend upon the soils involved, and the amount of extra cleaning needed.

Example – Working bath of Aquaease Infinity Booster in a 1000 gallon process tank. Add between 1.0 and 5.0 gallons.

Waste Disposal

In order be completely informed on those latest waste disposal regulations for your area, please contact the local authorities.
